**BUSHi Open and BUSHi Camp
SATURDAY SEPTEMBER 23 and SUNDAY SEPTEMBER 24 2023**

First of all, once again our sincere apologies for the calamities and delays you had to deal with during the 4th edition of BUSHi Open. A lot of people worked very hard on that edition and the intentions were more than good. The day was anything but and that has been hugely disappointing for many people.

We evaluated extensively both internally with the various committees, as well as with participating clubs, the sports company, referees and others involved. A big tournament makes one vulnerable and we therefore think that a more modest set-up contributes to manageability, quality and thus fun. We therefore hope to count on your participation.

On Saturday **September 23 2023**, Budovereniging BUSHi Arnhem is organising the 5th edition of the BUSHi Open judo tournament. Once again this edition will be a unique combination of top judo - with national and international participants - and adapted judo.

We would like to invite your judokas to participate. Registration is possible from **April 1 2023**. For any changes and current information-as well as for the registration forms-we ask you to check the website: **bushiopen.nl**.

We are also organising the **BUSHi Camp** again this year, on **Sunday September 24**. We are going for a quality programme with not only randori but with a lot of attention to technique, and extra guidance. Naturally - as you have come to expect from BUSHi - we will start with a warming up on music. You are more than welcome to join us for the Camp.

Tournament BUSHi Open:

Registration is open to boys and girls born 2013 and older (-12, -15, -18 and +18) and who are members of a club affiliated with the judo federation.

If a club wants more judokas to participate or in case you want to participate while the registration date has already passed, please contact the organisation.
